

# YABs Fellowship Week Materials & Resources: 19–26 June 2016

As young Anabaptists, we have designated the third week of June for an annual celebration of our common faith and roots in our different cultural contexts by studying a passage from Scripture, sharing songs and prayer requests, hearing each other's stories and praying for each other. We've compiled some materials below to incorporate into your own local context, no matter what time you meet during the week. Our prayer is that they will help draw you into greater community (*koinonia*), not only in your local congregations, but with your international Anabaptist family.

We also encourage you to take the time during that week to reach out to other Anabaptists, Mennonite youth or young adult groups in your area or to reconnect with friends you met during GYS to spend time in fellowship or serve in your community together. Maybe you even want talk about the discussion questions together and spend time praying for each other! We'd love to see how you celebrate YABs Fellowship Week in your community. Please share pictures and videos with us if you can, or even a recap of your discussion.

## 1. Theme and text: A Cloud of Witnesses: [Hebrews 12:1–2](#)

"Therefore, since we are surrounded by such a huge crowd of witnesses to the life of faith, let us strip off every weight that slows us down, especially the sin that so easily trips us up. And let us run with endurance the race God has set before us. We do this by keeping our eyes on Jesus, the champion who initiates and perfects our faith. Because of the joy awaiting him, he endured the cross, disregarding its shame. Now he is seated in the place of honour beside God's throne." (NLT)

## 2. Discussion Questions

- a. *What are some things that make you feel connected to a global faith family? To a historical faith family? Do you ever feel disconnected? If so, why?*
- b. *What are some weights or obstacles (not necessarily sins) that slow you down or keep you from walking in the footsteps of Jesus?*
- c. *Sin is an ever-present struggle in all of our lives. What are the sins that so easily entangle you as an individual? What about the sins of your church? Of your people? Of your country?*
  - *Use this time to confess your sins to each other. Consider confessing national/corporate sins to others in your community or other groups/peoples you've wronged as a nation or people group. ([1 John 1:9](#), [James 5:16](#))*
- d. *Do you sometimes feel that the notion of sin is holding you back, that it makes you afraid to reach out and talk to others about their lives and the things they should/could do better? How can we create an environment where people can be vulnerable and feel like they can share their struggles without being judged? What does it look like to challenge each other and keep each other accountable in our sin struggles?*
  - *Find someone this week who can hold you accountable with regards to a certain temptation or area of spiritual discipline.*

- e. *In order to throw off sin, we need to stay focused on our Saviour, Jesus, who became sin for us so that we might live in freedom. What are some practices or ways to cultivate a single-minded focus on Jesus?*
  - *Share what helps you draw near to him, what grows and challenges you spiritually.*
- f. *Who are your mentors in the faith (historical, in your local community, and global)? What is it about their faith that encourages and inspires you? What will it take for you to imitate their faith?*
  - *Take a moment this week to either encourage and thank them in person or through a written note for how they've impacted your walk with Jesus.*
- g. *All around the world, there are brothers and sisters in faith who are suffering, like Jesus did. Are you willing to go through difficulties and challenges because of your faith in Jesus Christ?*
  - *Take time to pray for the persecuted church around the world. Refer to the prayer requests below to know how to pray specifically for believers within our global Anabaptist family. Also check out the Anabaptist website [www.martyrstories.org](http://www.martyrstories.org), or other Christian websites like [www.opendoorsusa.org](http://www.opendoorsusa.org) or [www.persecution.com](http://www.persecution.com) to find resources and ways to pray for the persecuted church.*

# YABs Fellowship Week 2016: GYS Testimonies

## Africa

- "I am so grateful to share the GYS story that took place in at PA 2015. It was a good opportunity to meet and share ideas with people from parts of the world on the theme Called to Share: My Gifts, Our Gifts. I would wish that for the next Assembly African countries could send more young Anabaptists, as this time we experienced that delegates from many countries did not get visas." **Wycliff Ochieng Otieno from Kenya**
- "Hello every one of the Anabaptist family! :) *Shalom!* As I am sharing prayer requests with you, I will say few things about being part of this family; Firstly, I am so thankful to God for his goodness and love in my life. He has done so much for me and for other people in various ways. Secondly, I am very much thankful to God for giving me the opportunity of being part of this family (Anabaptist) through Global Youth Summit 2015. I actually had so good time and felt the love of God seeing brothers and sisters of mine from all around the world coming together for HIS GLORY. This was the best time in my life for making many friends from all around the world at once together with worshipping the Lord (One God) with people from different traditions and cultures. I became so rich and stronger in faith through many workshops that we had. I would never want to miss the coming GYS and MWC events. PA 2015 occurred at the end of my IVEP year in USA, so, that was another miraculous thing to me." **Elisante Daniel Lulu from Tanzania**

## Asia

- "GYS 2015 showed me about diversity as part of God's creations, it made me realize that I live amidst the nations that including me as part of global family, and it opened my mind about some local and global issues that are happen in other continents so that I learn to encourage and support them through prayer and thought. What an awesome week when we could share our gifts to others, doing Communion with people we never met before. I experienced God's presence through every different style of worship every day." **Taning Andari Anita Pudwidaringsih from Indonesia**

## North America

- "GYS showed me that unity, fellowship and commitment within our church family are possible despite a wide range of theological differences and traditions. GYS was challenging because of the interactions with individuals from very different beliefs and church backgrounds. At times, some of us clashed because of these differences; still, I never felt threatened or disrespected, and my hope for the church is that we may continue to discuss and learn from each other despite the difficulty of the conversations, and that we may become better at them." **Andrea de Avila from USA**

## Latin America

- **Mexico (submitted by Ivonne Gorospe)**
  - Pray for our youth group, because we have tried to have meetings and activities but that has not been possible due to the following reasons: we are a small church and there is a wide age gap amongst the young people in the group and our interests are different. Most of the young adults work and we have several things to do, and I believe that it is because of this and the lack of interest that nobody is very committed to do something.
  - This coming week we will be choosing a substitute for one of the leaders, we pray that the Lord may guide us.
  - As young people at the conference to which our congregation belongs (there is one located in Toluca and one in which Rodrigo is the pastor) we are starting a youth ministry by designing discipleship workshops and weekly devotionals to be sent to the young people of our conference. May the Lord guide this project, may he give us wisdom and inspiration for

the development of this activity and that we may also encourage other young people to get involved and to grow in God's word.

- Prayer requests for my country: The situation seems more complicated every day due to the problems of violence and corruption. May God have mercy and may we, as a church, be an arm of support that shares the hope we have in Jesus.
