CHORUS

We want justice, we want peace. We want justice, we want peace.
We want justice, we want peace. We want justice!

VERS 1 (SOLO)

Es wird Zeit wieder aufzustehn, und mit Hoffnung auf die Zukunft sehn.
Aufeinander zuzugehn, und wo Feinde sind, das Schwert ablehn'n.
Mach dich auf den Weg, nimm den Segen mit, wohin du auch gehst.
Setz dich für den Frieden ein!

CHORUS

We want justice, we want peace. We want justice, we want peace.
We want justice, we want peace. We want justice!

VERS 2 (SOLO)

Il est temps de se relever, de voir l'avenir avec espérance,
D'aller les uns vers les autres, d'abaisser l'épée devant l'ennemi.
Mets-toi en chemin, emmène la bonté avec toi,
Engage -toi pour la paix.

CHORUS

We want justice, we want peace. We want justice, we want peace.
We want justice, we want peace. We want justice!

INTERLUDE

BRIDGE

There's freedom for the poor, there is freedom for the broken.
There's peace for the weak and freedom for the bound.
There's freedom for the haters, freedom for the greedy.
There's freedom from the powers, freedom for the slaves.

There's peace for the mind and freedom for the body.
There's peace for your heart and peace for your soul.
There's peace for the humble peace for the children.
There's freedom for the left and freedom for the right.

CHORUS

We want justice, we want peace. We want justice, we want peace.
We want justice, we want peace. We want justice!

OUTRO

Pray for freedom, pray for peace. Pray for freedom, pray for peace.
Pray for freedom, pray for peace. Pray for freedom, pray for peace.
